

Project Document

Welcome! This document highlights the core initiatives of The Sunflower Project. Each project reflects our commitment to raising awareness, educating communities, and taking action.

The Sunflower Pod

→ The Sunflower Pod is a podcast focused on human trafficking, sexual exploitation, and gender-based violence, featuring conversations with researchers, advocates, and organizations working in prevention and survivor support.

The Sunflower Bottle Drive

→ The Sunflower Bottle Drive is a community-based fundraising initiative that combines environmental sustainability with social impact. Through the collection and recycling of bottles, this project generates funding to support The Sunflower Project's ongoing advocacy, education, and outreach efforts.

→ Impact: 3K+ bottles returned.

The Sunflower Project × Origami for Good

→ This collaboration combines creative expression with advocacy and shows how art can be used as healing through origami.
